THE STORY SO FAR...

Our battle against the Crawlers continues! This issue, Worriz is trying to find the Wolf Legend Beast. But before you read the new comic adventure, let me remind you what happened last time...

Protect the Eagles' Spires!

While we were in the **Outlands** in search of the **Legend Beasts**, the Eagles Faced a different problem. They were **attacked by Bats**! We rushed immediately to help! But Ewald had **another mission** for Eris and me...

Quick, Eris. Get to the Ultra Striker before it's too late.

Beaver danger!

Eris and I saved the **village of the Beavers**. Equila's **Ultra Striker** had landed on the tree tops above the Beaver's village and was about to **crash** down on all the poor Beavers. Luckily we were able to fly off safely in the Ultra Striker.

Blast!

Now show me what you've got!

YEAH! Woohoo!

Finally, we battled the Bats in the **Ultra Striker**. We Found a mighty **Crawler Cannon** and blasted the last **Wing Striker** from the sky to stop the attack. Yay!

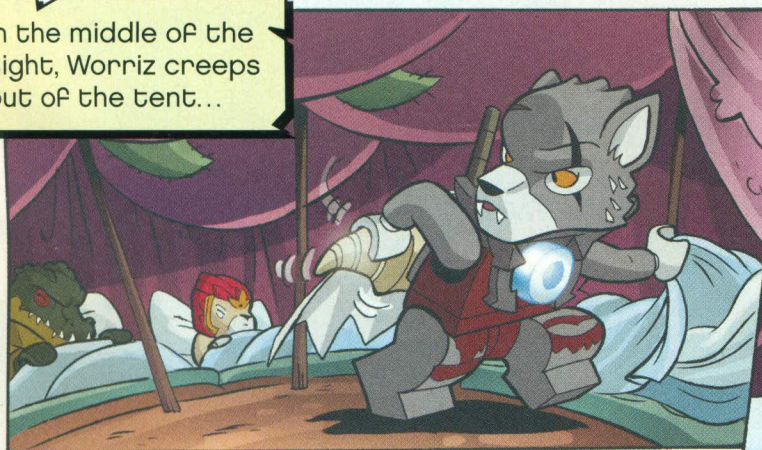

TRUE WOLF

Our heroes have pitched camp in a desert in the Outlands with their Legend Beasts guarding over them. The young warriors have to find the Wolf Legend Beast and the Lion Legend Beast...

COMIC

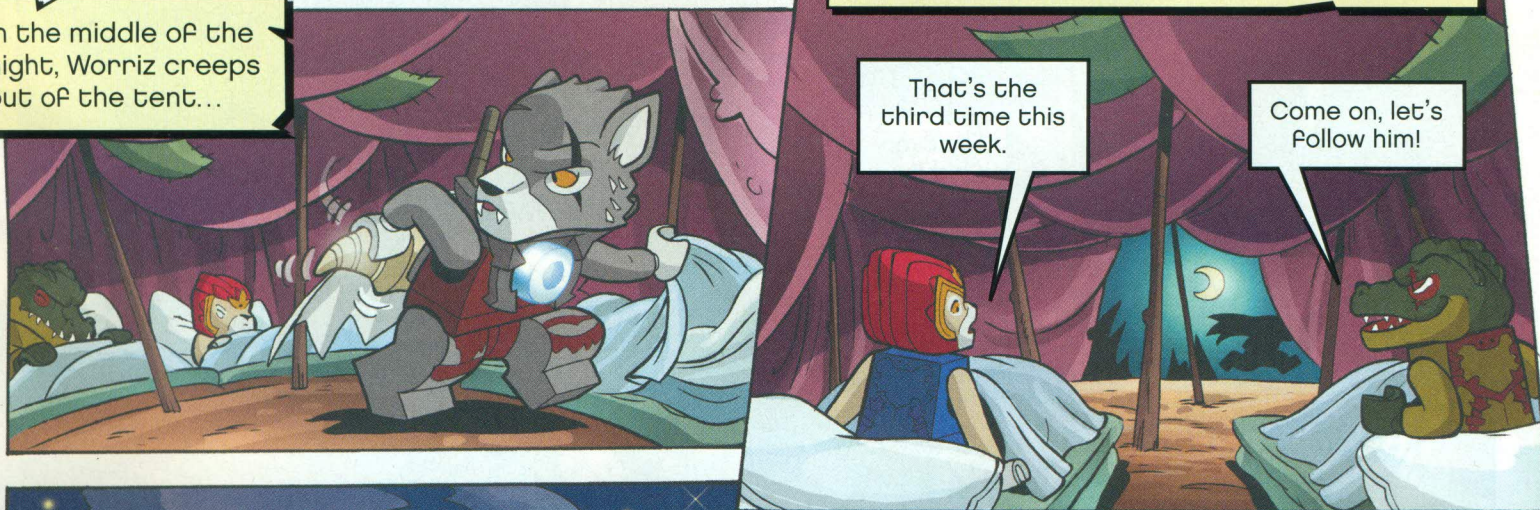

In the middle of the night, Worriz creeps out of the tent...

Laval and Cragger wonder what's going on...

That's the third time this week.

Come on, let's follow him!

Where is he going at this time of night?

Let's find out!

Laval and
Cragger Follow...

They soon realise that Worriz has crept out of the tent night after night to find his Legend Beast with the help of the Mother Tooth!

Wolf Legend
Beast, where
are you?

The Mother Tooth is the most precious artefact of the Wolves. It is the only thing that will help find the Wolf Legend Beast...

I'll never
find it...

Worriz notices
a movement!

Is that the Wolf
Legend Beast?

**Rustle
crack**

Suddenly...

You are not the Wolf Legend Beast. But you smell Familiar. Who are you?

CHI
BONUS
1

Do you know who the mysterious fighter might be? You'll find the answer on the next page!

The stranger attacks...

Just then, Laval and Cragger leap out of the bushes to help!

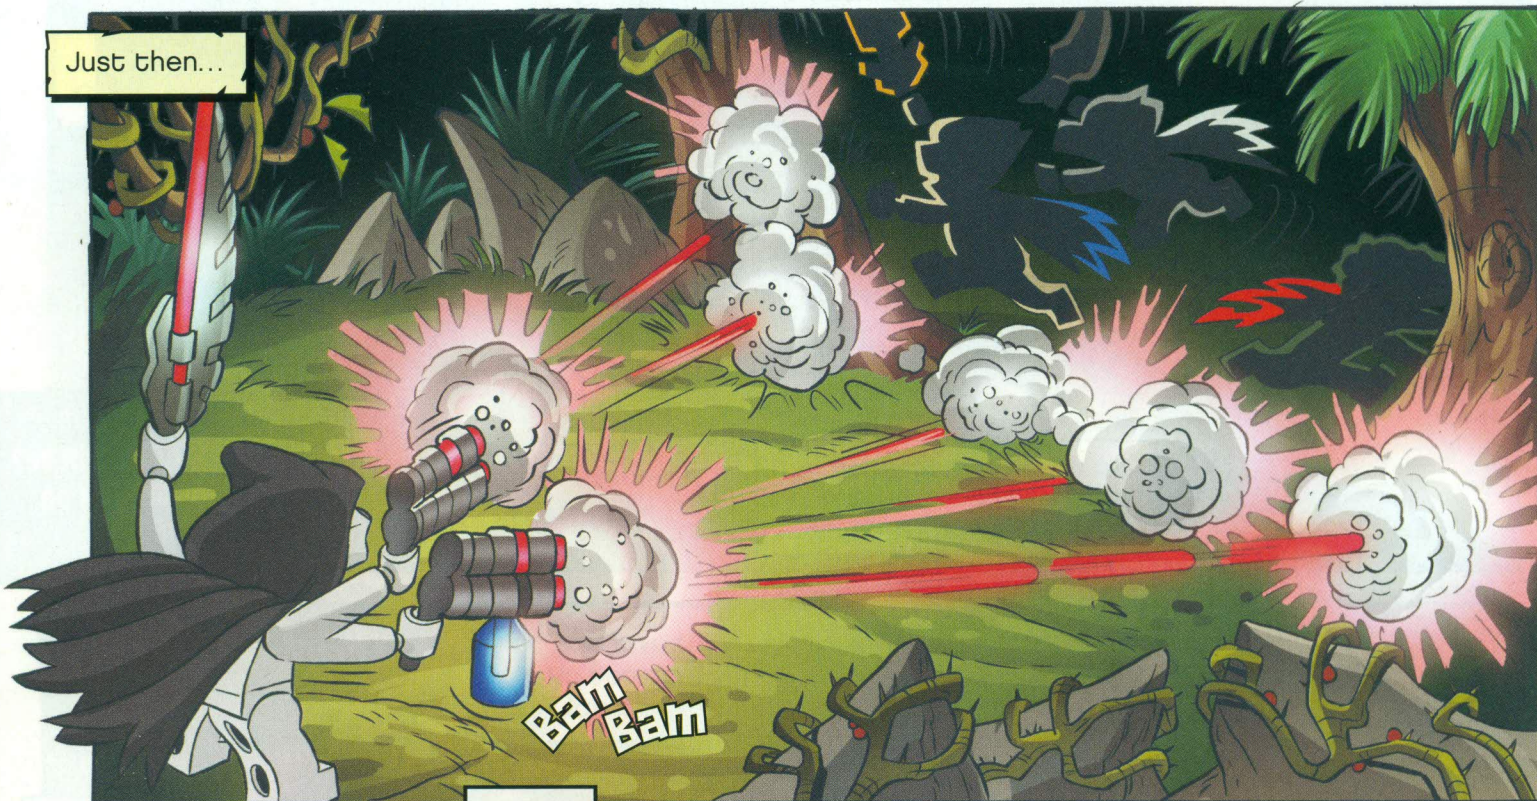

Woah! Step back whoever you are!

The attacker doesn't look impressed.

Stomp

Just then...

He missed!

Maybe you should remove your hood. Then you might see something!

CHI BONUS 2

Look closely! How many holes has the stranger put into the tree trunks?

Who would have thought it? The sinister Figure is none other than the She-Wolf Windra!

OK!

Windra?! What are you doing here?

THE SPIDERS

The Spiders are the most cunning meanies in Chima! Here we tell you everything about these Crawlers!

SPINLYN

The **Queen of the Spiders** wants to own all of CHI! But she doesn't want it for the **power** – Spinlyn wants it so she can be **beautiful Forever**. She wants everyone to think of her as the **most beautiful creature** of Chima! Her soldiers do anything she wants without question!

SPARRACON

This Spider is a very powerful warrior. He also has a heart **as cold as stone**. He is always planning attacks on the Lions and the other tribes. He doesn't like to show his feelings...

SPARRATUS

He swore **loyalty** to his queen. Sparratus **has no easy life**. He has **two legs instead of six**, and he also ranks way below the other Spider soldiers. His **biggest dream** is to become one of them. This is why he **trains** hard at slinging strong spider webs. He is also **jealous** of the other Spiders and likes playing **tricks on them**.

Spider technology

Spiders have the most **sophisticated vehicles and gear**. Their Speedorz have spider legs that allow them to **climb walls**. But the best thing about Spider technology is their webs – they can shoot them over hundreds of metres **towards their enemies** and entangle them. The webs are also nearly **indestructible**!

Do those stupid
Lions really think
they can defeat us?

Spider Canyon

The **Spiders' nest** is in a canyon stuffed with **evil Crawlers** and their **vehicles**. The Crawlers love to lurk in the **dark** and sleep in **small caves** inside the walls. Spinlyn ordered the Spiders to build her **very own beauty salon**! She stores everything there that gives her everlasting beauty!
